MEMBERSHIP FEE

VERSION 1.0

SUPPLY CHAIN VALLEY

SUPPLY CHAIN VALLEY CONTRIBUTION FEE

The membership fee at Supply Chain Valley classifies two categories of members:
- **Companies, organisations and institutions**
- **Individual members and/or self-employed people**

If you join in the course of calendar year, the contribution will be calculated over the remaining number of months for that year.

For the first category, the amount of the contribution to be paid is determined by the total number of permanent full-time equivalents (FTE) of the relevant company, organisation or institution. This will be based on the workforce of all entities located in the Netherlands.

For the second category, the contribution is a fixed amount per year, with no distinction being made between individual members or self-employed people. Students and people who have reached state pension age receive a 50% discount on individual membership.

Registering as a member

You can register as a member of Supply Chain Valley by completing and sending the registration form.

Sponsors

Organisations and private individuals with a special interest in Supply Chain Valley and logistics in Limburg will have the opportunity of becoming a sponsor.

If you have questions in view of the above or any other questions about membership, please contact Colla Breuers at + 31 6 57 30 08 50 or c.breuers@supplychainvalley.com.

Cancelling your membership

At Supply Chain Valley, the financial year coincides with the calendar year, i.e. from 1 January to 31 December. The SCV Articles of Association prescribe that cancellation of SCV membership must be effected in writing or by e-mail, three months before the new financial year.

Please send your notice of cancellation to:

Supply Chain Valley
Attn.: membership administration
Malcom Mcleanstraat 4
5975 WG Sevenum
The Netherlands

MEMBER BENEFITS

1. Access to a large logistics and supply chain network in Limburg, East Brabant and the Limburg Euregion border area.
2. The opportunity to stay informed of developments within the various sectors by visiting relevant conferences, seminars or workshops organised by SCV and through information made available by SCV via newsletter, website, the SCV app or otherwise.
3. Professionals you can contact with all your logistics and supply chain management questions.
4. Access to up-to-date promotional material.
5. Opportunities through the commercially interesting contacts established by SCV with domestic and foreign companies arising from the promotional efforts by SCV.
6. The opportunity to explore your opportunities abroad through international member trips organised by SCV.
7. An invitation to the General Membership Meeting at which we look back on and forward towards the activities of Supply Chain Valley.
8. Members gain access to knowledge via the knowledge base and can use the Supply Chain Valley app.
9. Members can participate in selected Supply Chain Valley events at a discount or sometimes even free of charge.
10. Members receive a discount when hiring the facilities in the Innovation Hub.
11. Members are given a platform via social media and during events in the Innovation Hub.
12. Supply Chain Valley maintains contact with government agencies, educational institutions and the local area on behalf of its entrepreneurs.
13. Members of Supply Chain Valley receive a discount on selected training courses, workshops and webinars in the Innovation Hub.
14. Members can collaborate on relevant themes within one of the eleven building blocks.
15. Members are entitled to participate in a Maturity Assessment, which we use as a starting document for creating a roadmap towards corporate social responsibility (staff management, sustainability, innovation, digitisation and automation).
16. Members can join one of our communities: logistics, agrofood, the manufacturing industry and healthcare logistics. As such, there are additional sector-specific programmes and benefits, which are also part of the Supply Chain Valley membership.

By signing this registration form, you agree to the following:
- Membership is not registered in name.
- Without a notice of cancellation, membership is tacitly extended for periods of one calendar year.
- Supply Chain Valley (hereinafter referred to as SCV) receives your data and the data of one or more contact persons within your company* and shares it with companies outside the SCV network for the purpose of SCV's matchmaking activities.
- SCV shares your data and the data of one or more contact persons within your company with other members.
- SCV shares your data and the data of one or more contact persons within your company with (potential) partners.
- SCV shares your data and the data of one or more contact persons within your company for the organisation of events, member trips and other related activities.
- SCV shares your data and the data of one or more contact persons within your company to send newsletters, mailings or other SCV-related correspondence, such as the app.
- From the beginning of the next calendar year, SCV will send an invoice for that relevant calendar year.
- When registering as a member of Supply Chain Valley, the member agrees that SCV may post photos taken during SCV events on social media.

We ask you to provide us with a list of contact persons and that you inform us of any changes during your membership. SCV assumes that your organisation has informed all contact persons of the provision of their data to SCV and that they have agreed to its use, as described above.
